

Blossom - passion for home and fashion! The Jakobstad Blossom store is the heart of our entire business. The first Blossom store is in our hometown, in a charming wooden house on the pedestrian esplanade (Kanalesplanaden 20) and thanks to the feedback we receive every day from our dear customers, it became the jumping-off point for our entire operation. The store is divided into several rooms, and in addition to interior design and toys, we have a large selection of clothing and accessories in what we call our "luxury room." Odd Molly, Lexington, and Hunkydory are the largest clothing brands in our shop.
